Enjoy a 4-night stay for 6 guests in a renovated 19th-century house in the historical center of Porto, Portugal. This experience combines a private residency with two signature excursions: a private yacht cruise past Porto's iconic six bridges and a full-day private wine tour of the Douro Valley. Your stay includes 3 bedrooms, 3.5 bathrooms, and private garage parking, providing a home base just 30 minutes from Porto International Airport.

The house is a beautifully restored 19th-century estate located within walking distance of Porto's major historical landmarks. Situated in a peaceful neighborhood, the residence offers a calm retreat while remaining steps away from local bakeries, cafes, and traditional Portuguese restaurants. The interior preserves the charm of old-world Porto while providing modern comforts, including 3 full bedrooms and ample living space for a group of six. Experience the colorful architecture of Porto with a private two-hour yacht tour along the Douro River. As you pass under the city's six iconic bridges, you will be served local wines and homemade snacks while viewing Porto's most famous landmarks from the deck. This private excursion offers a quiet, luxury perspective of the riverfront at sunset, away from the typical city crowds.

This experience includes a full-day private journey into the heart of the Douro Valley, the world's oldest demarcated wine region. You will be picked up from the house and transported to two different boutique wineries for guided tastings and historical insights. The day features a traditional Portuguese lunch paired with Douro wines and a scenic river cruise through the valley's terraced vineyards. At the conclusion of the tour, your private guide will return you directly to your accommodation.
